SUMMARY

.NET Full-Stack Developer with a strong foundation in web-based application development. Skilled in optimizing software performance and eager to collaborate with cross-functional teams. Committed to staying updated with the latest technologies and dedicated to delivering high-quality software solutions. Seeking opportunities to contribute and grow in a dynamic development environment

EXPERIENCE

- .NET Full-Stack Developer**

01/2024 - Present
- TatvaSoft Pvt. Ltd ↗
- Developed, tested, and successfully maintained web-based applications and responsive user interfaces, resulting in a 20% enhancement in user experience and a 15% increase in client retention.
 - Collaborated closely with designers and Team Leader, ensuring seamless delivery of high-quality software solutions that exceeded client expectations by 25%.
 - Identified and resolved critical bugs, assisting team members in troubleshooting, which decreased project completion time by 20% and increased overall project efficiency.
 - Participated in code reviews, providing constructive feedback that led to a 10% improvement in code quality across the team.
 - Designed and implemented a robust .NET API, enhancing application security and performance.

EDUCATION

- Computer Science**

01/2021 - 06/2024
- Darshan Institute of Engineering & Technology - Bachelor of Engineering
- As a Teaching Assistant in Flutter App development at Darshan Institute, I supported professors in delivering lectures, tutored students one-on-one and graded assignments, and contributed to growth. This role enhanced my communication, organizational, and problem-solving skills.
